

RECURRENT STANDARDIZATION SEMINAR

The information provided for the Combined Recurrent Standardization seminar will enable you to determine by authorized functions (codes), which portions of the seminar you will need to attend.

Registration personnel do not know what authorized function you have been delegated. They will not help you determine which portions of the seminar to attend.

You and your principal FAA inspector will determine which portions you will need to attend.

The cost of the seminar is \$150, regardless of which portions/days you attend.
